# Chalet Auguste

Price : 1 750 000€

A rare opportunity to purchase an exceptional renovated farmhouse in the sought-after area of La Côte d'Arbroz.

Located opposite the village restaurant and surrounded by nature, it boasts stunning mountain views.

The chalet has been beautifully renovated using high-quality materials and incredible attention to detail. It offers approximately 247m<sup>2</sup> of living space, plus a mezzanine and a renovated mazot. Set on a 927m<sup>2</sup> plot, it features multiple outdoor areas to enjoy the sun throughout the day.

**Ground Floor:** There is a 3-bedroom apartment (T4) with a private entrance from the lower parking area. It includes a spacious bedroom with en-suite bathroom, a laundry/utility room, and then a bright open-plan living area with panoramic views. This space features a wood-burning stove, a fully equipped kitchen, dining area, and large lounge. The living area opens onto a large south-facing terrace. Slightly separated by a door, there are two double bedrooms—each with its own en-suite bathroom—as well as a separate WC.

**First Floor Access:** Internal access to the rest of the chalet is available from this level. The apartment's rear door opens onto a hallway and an east-facing terrace. There is also a wine cellar.

**Upper Floor:** A stunning living area with high ceilings, exposed beams, wooden flooring, a wood-burning stove, and a contemporary kitchen—a perfect blend of old charm and modern comfort. The chalet faces south toward mountain views and west for evening sun. There is a covered balcony off the living area and a large west-facing terrace ideal for sunset views.

The spacious, high-end kitchen features slate countertops and is fully equipped. The living space is cleverly divided into various lounge areas, and there's a separate TV room. This level also has two en-suite double bedrooms, each with its own private outdoor space.

Upstairs, a large mezzanine is currently used as an office and could be converted into an additional en-suite bedroom.

The first floor also has its own large, separate entrance, with a separate WC.
