LE SOHO*****

Nothing suggests what is happening behind the door of this splendid chalet in the center of the village ...

The "SoHo" loft is available to you a few steps from the shops and the ski slopes. You can hurtle down at your own pace on winter days, or hike and bike in summer. After a day in the great outdoors, you will enjoy the vast volumes and the superb framework of the original decorated living room, dine by the fireplace or relax in the large mezzanine TV lounge.

To end a day in the mountains, there's nothing like a jacuzzi to guarantee good moments of relaxation. Finally, you will find refuge for the night in one of the five comfortable bedrooms, each with its own bathroom.

The "SoHo" is a subtle blend of an authentic mountain chalet and an industrial loft for a

resolutely chic and cozy result, synonymous with a stay in the mountains under the sign of conviviality.

Ground floor: An entrance, a ski-room, a laundry room and a jacuzzi with its shower, a large kitchen open to the living room with a fireplace, balcony, separate toilet,

Floor 1: A large living room with wood stove

Floor -1: 5 en-suite bedrooms including 1 family (1 double bed and a single bed) with balconies

NB: The SoHo is located in the same chalet as L'Altachic.

Linen and end of stay cleaning included.
