Loft LE SOHO

The chalet :

Behind the unassuming door of this amazing chalet in the village center...

Surprising and atypical, the Soho Loft, is just a few steps from all the amenities and slopes where you will ride all day long during the winter sessions and where you will be hiking in Summer. After a day of fresh air, you will enjoy the expanse and beautiful setting of the living room with its original decoration, dinner at the fireplace's corner or just relax in the spacious mezzanine living room

To finish your day in the mountains, there is nothing better than a dip in the hot tub, which guarantees relaxation. At the end, you will take refuge for the night in one of the 5 comfortable bedrooms, each one with its bathroom.

As you can well imagine, the "Soho" is a subtle mix of an authentic traditional chalet and an industrial loft for a result that is resolutely chic and cozy, synonymous of a stay in our mountains in the spirit of the conviviality.

Nb : The Soho loft is in the same chalet as L'Altachic. □

The Layout :

Ground floor : An open plan kitchen and dining room with a chimney, separate wc, ski-room, laundry room, hot tub and shower.

1st floor : A living room with a chimney and balcony

Floor -1 : 5 bedrooms en suite included 2 family bedrooms (1 double bed and 1 single bed) with balconies.

The region :

Located in the heart of the Portes du Soleil, the largest ski area in Europe, Morzine is a great playground in winter and summer.

With its "Famille plus" label, a guarantee of quality, Morzine / Avoriaz offers you a welcome and activities to suit both children and adults.

Each season is punctuated by many events that make Morzine a lively and dynamic resort throughout the year.

With its 12 Franco-Swiss ski resorts and its 286 ski slopes, the vast Portes du Soleil ski

area offers both seasoned and beginner skiers the opportunity to do just that. You will be able to ski a whole week without going twice the same route, whatever your level, on a pleasant and secure domain.

In addition to skiing, Morzine also offers a wide range of activities and leisure to vary the pleasures or for non-skiers: snowshoeing, ice climbing, sledging, ice diving, indoor pool, steam room, sauna ... enough to satisfy the most demanding.

From spring, the resort is transformed into a paradise for hikers, golfers, trail runners and mountain bikers. Cyclists on roads are not left behind and can try the famous stage of the Tour de France at the Col de Joux Plane! The possibilities of activities are multiple; swimming pool, adventure park, climbing, rafting, via ferrata, stand up paddle, canyoning, fishing ... The Multipass, of which we are members, will allow you to benefit from preferential rates.

If you want to venture further, in half an hour you will reach the shores of Lake Geneva (Thonon-les-Bains, Sciez, Evian-les-Bains). The boat will take you to Lausanne or Montreux, Geneva and its airport are only 1h30, as well as Chamonix where you can admire the Mont Blanc.

In Morzine, in summer or winter, every day is a new discovery punctuated by mountain sports, varied landscapes and charming villages.
