Appartement à vendre Morzine

Prix : 480 000€

Le Domaine de l'Ardoise offers an excellent opportunity to purchase a new-build apartment close to the centre of Morzine, just 2 km away and within a few minutes' walk of the free shuttle buses serving the ski slopes and the village centre. Located in a peaceful setting on a south-facing hillside with open mountain views, the development offers a wide selection of apartments at attractive prices starting from €360,000.

This new development brings a modern concept to Morzine, featuring smaller-scale residences and chalets set within a quiet and highly sun-exposed environment. The project is delivered by a reliable and well-established developer, ensuring high-quality construction and finishes.

The residence enjoys a prime location on a south-facing slope with panoramic views and easy access to the ski area via nearby free shuttle buses. It offers a range of apartments from one- to two-bedroom units, as well as individual and semi-detached chalets from four to six rooms.

Apartment I203 is located on the second floor and is a two-bedroom plus bunk room apartment comprising an entrance, a spacious open-plan living area with kitchen, lounge and dining space, two bedrooms including one with an en-suite shower room, a bunk room, an additional bathroom, and a separate WC.

The residence offers high-quality finishes and modern features designed for comfort, including underfloor heating, contemporary kitchens and bathrooms, parquet flooring in living areas and bedrooms, large-format tiling in bathrooms, and well-designed open-plan living spaces. All properties benefit from deep balconies or terraces.

Built in accordance with RT2012 standards, the development provides excellent thermal and acoustic insulation along with reduced energy consumption.
